

10 YEAR PEACE OF MIND WARRANTY INCLUDES:

1. No repair costs for 10 years
2. Lower utility bills
3. Extended equipment life
4. Priority customer scheduling
5. Fewer breakdown occurrences
6. Improved indoor air quality for a cleaner, healthier environment
7. Improved comfort conditions
8. Reduce overall operating costs
9. Peace of mind with 24/7 service capabilities

“10 Year Parts & Labor Warranty, Available Only on Evergreen State Heat and A/C Installations”

Warranty includes a free maintenance scheduled anytime between March through July. Programs include all filters necessary.

The annual cost of this program is: \$195 plus tax for elect/gas/propane furnaces; and \$295 plus tax for heat pump or air conditioning out door units with an indoor unit. Payable by cash, check or credit card on installation anniversary.

Customers are responsible for programming their own thermostat and replacing or cleaning their own filters. Charge to reprogram thermostat or replace/clean plugged filter is \$95 plus tax COD.

www.essmwa.com

Non payment of annual bill or charges will nullify agreement and stop annual maintenance

10 YEAR PIECE OF MIND WARRANTY

Annual fee for this is:

Furnace \$195

HP & A/C \$295

Above pricing includes taxes & filters

\$95+ tax charge will be for all call-outs on filter cleaning or thermostat programming that is not part of maintenance. Agreement is null and void if all charges are not paid at agreed upon timing
